Press release:

Grand Inauguration Ceremony of a new Association of Scientists, Physicians, Surgeons and allied experts-APPS Europe.

13th December 2020,Germany,

The General Public and in particular, the media houses are hereby informed of the APPS Europe (Association of Pakistan Physicians and Surgons in Europe) zoom online inauguration ceremony.

In an effort to increase and exchange the quality & operationalisation of health services, methods & knowledge for best practices in Pakistan and European countries, the organisation is founded by Dr Abdur Rehman Shahid along with other experts. This new multi-directional initiative with integrated experts in health sciences and technology is the first platform that will encourage and support better collaboration among all Pakistan origin and other related experts to consolidate quality ideas, innovate products and methods, organise conferences/seminars and guide newly arrived doctors and students in Europe.

In addition the association will try to fill the gaps of the technical work force, doctors, nurses and health paramedics in European countries from Pakistan human resources, after training in Pakistan or in Europe according to its 11 point agenda with objectives.

The inauguration was started by both famous moderators Dr. Affan and Dr. Nazish Affan with Holy Quran Talawet and displaying celebrating promo with sweat words and phrases. During the inauguration ceremony, message of honour sent by the H.E Prime Minster of Pakistan was read by Mr. Shakil Puri and H.E Governor Punjab Ch Mohammad Sarwar officially inaugurated the ceremony in the presence of seven Pakistani Ambassadors for European countries including U.K, Spain, Germany, Norway, Sweden, Denmark and Romania.

There were three presentations displayed by Dr. Abdur Rehman Shahid, Mr. Tahir Mahmood and Dr. Abdul Hafeez with titles “APPS Europe vision”, “Operationalisation of APPS Europe” and Apps U.K achievements so far”. Dr Kashif the country chair U.K APPS Europe also fully described “the way forward for APPS Europe” with his highly impressive contents.

All Ambassadors addressed to the present APPS U.K and EUROPEs designated leaders, all European country representatives and thousands of online members (audiences) and praised the unique effort of unity, intellect and faithfulness to serve Pakistan, nations and humanity with a promise to support the Associations with all types of resources subject to their mandate. H.E the Governor of Punjab acknowledged this intelligent move of the overseas experts and the existing positive projects of the APPS UK with wonderful advices.

After the short comments of the country representatives of the APPS Europe, Finally vote of thanks to all participants, members and guests were offered by APPS Europe chairperson Tahir Mahmood on behalf of President APPS Europe Dr. A.R Shahid, Dr Abdul Hafeez CEO APPS UK, Mr. Shakil Puri President APPS UK, and APPS Europe Country Representatives for their contributions and great efforts.

For further information kindly contact Dr Kashif Chauhan , Communications Officer and Country Chair U.K via email info@appseurope.org

Yours Sincerely

Dr. Abdur Rehman Shahid
